Interesting Fact:

Lifts built to handle over a million pounds.

Industry Potential

\$380 MILLION +

3.6% Growth

Types of Products

TYPE

Work Platform Lift Dock Lift Pit Mounted
 Custom Lift Table Hydraulic Multiple Leg Set
 Industrial Tilter Auto Leveler Mechanical
 Turntable Surface Mounted Mobile Pneumatic

Benefits

Custom Platforms

Infinite Height Adjustment

Programmable Movement

Interesting Fact:

There are industrial scissors lifts that can raise aircraft or move a person, lifts to position the work to the worker or the move worker to the work.

Industrial Tilter

Industrial Turn Table

The Lift Manufacturers Product Group (LIFT) members are the resource for industry best practices, standards, information, and equipment that lifts, rotates, tilts, and otherwise positions materials.

LIFT MEMBERS...

Are committed to safety, innovation and providing the right solution to ensure peak performance.

Learn about our 7 member companies, www.mhi.org/lift/members.

Join LIFT, www.mhi.org/lift.

COMBINED EXPERIENCE

1,000,000s

Access to the combined knowledge / experience from thousands of installed lifting devices.

MISSION & VISION

Mission

To promote market awareness and safe use of LIFT products.

Vision

To be the authority for innovative solutions for LIFT products and best practices through development of:

- ANSI Standards
- Education and Training Materials
- Safety Guidelines

RESOURCES

100s

Hundreds of resources for education and help. Access online website, www.MHI.org, have direct contact* with other members and network at MHI events**.

* Meetings are conducted in a safe harbor environment.

**MHI events include MODEX, ProMat and Spring/Annual meetings and conferences.
