WHAT IS SMM

Leadership, a not-for-profit trade association focused on improving the supply chain for manufactured products in the mobile and sheltered housing industries. Its vision is to be the leading Knowledge Center for product design, manufacturing, and supply chain management. Its mission is to drive industry growth. SMM is a leading source of information for manufacturers and suppliers in the mobile and sheltered housing industries, with a focus on providing effective solutions and strategies to improve operations, reduce costs, and enhance profitability. It offers a wide range of resources, including industry news, articles, webinars, and events, to help members stay informed and competitive in the market.
