Solutions Community’s mission is to provide a unique venue where suppliers of material handling solutions and technology can collaboratively work with the user community to improve the marketplace for all. All participants adhere to a safe harbor no-buy, no-sell environment to openly discuss topics of mutual interest, including best practices, lessons learned and emerging technologies.

The members are industry’s thought leaders on automation, software, hardware, equipment, services, and consulting that support a fully integrated supply chain.

**Types of Systems**

**Warehousing**
- Big Data
- Robotics
- Industry 4.0
- Omni Channel
- Labor Shortage
- Customer Drones
- Economic / Safety
- Artificial Intelligence
- Government Regulations
- Supply Chain Visibility & Tracking

**Distribution**
- Mobile Devices (Voice & Scanning)
- Protective Guarding Products
- Predictive Modeling/Analytics
- WMS/Controls/Software/AI
- Robotics/Automation
- Conveyors/Sortation
- Storage/Retrieval
- Customer Drones
- Loading Dock
- Lift Trucks
- Software
- Auto ID
- AGVS
- Racks

**Manufacturing**
- Retail
- Airports
- Packaging
- Aerospace
- Automotive
- E-Commerce
- Transportation
- Food & Beverage
- Pharma/Healthcare
- Government Defense
- Manufacturing/Assembly

**Interesting Fact:**
Despite the rapid and sizable e-comm growth it is still a rather small percentage of overall commerce. According to Digital Commerce 360, “The fourth quarter and in 2017, it was a little US$ 5.5 trillion grew faster than it has since 2011. E-commerce represented 13% of total retail sales in 2017 and 49% of the growth.

**IIOT CAPABILITIES**
Supply Chain processes and productivity are more transparent than ever before, because of advanced networking and smart sensing capabilities.

**CONNECT WITH SOLUTIONS COMMUNITY MEMBERS...**
Comprised of hardware, software, equipment and services. Learn about our 70 member companies, www.mhi.org/solutions-community/members.

**RESOURCES**
Hundreds of resources for education. Access online website, www.MHI.org, other members and network at MHI events**.

- Library of Solutions (case studies)
- Social media
- Videos
- White Papers
- Magazine articles
- Member / User education webinars (CICHME Support)
- Education Seminars

The mission of the College Industry Council on Material Handling Education (CICMHE) is to increase awareness, understanding, exploration, and development of material handling and logistics through learning and nurturing high value projects and events.

http://www.mhi.org/cicmhe

* MHI events include MODEX, ProMat and Spring/Annual meetings and conferences.

**MHI events include MODEX, ProMat and Spring/Annual meetings and conferences.

**COMBINED EXPERIENCE**
1,000’s
Access to the combined knowledge / experience from thousands of installed systems.

**DIVERSITY & INNOVATION**
70
Learn from 70 of the world’s leading companies.

**RESULTS**
Increased operational performance and throughput.

**2018 - 2024**

**$190 BILLION**
