Texas State University

Texas State's 38,694 students choose from 97 bachelor's, 92 master's and 14 doctoral degree programs offered by the following colleges: Applied Arts, McCoy College of Business Administration, Education, Fine Arts and Communication, Health Professions, Liberal Arts, Science and Engineering, University College and The Graduate College. As an Emerging Research University, Texas State offers opportunities for discovery and innovation to faculty and students.

Our students come from around the globe, and our student body is diverse. Fifty-two percent of Texas State students are ethnic minorities. Texas State ranks 14th in the nation for total bachelor's degrees awarded to Hispanic students.

Texas State is proud to be a tobacco-free campus.

Texas State University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, masters, and doctoral degrees.

Locations

Texas State's San Marcos campus is located in a growing community of 60,000 people in the Austin Metropolitan Area. Located in the Texas Hill Country, where blackland prairies roll into beautiful hills, Texas State enjoys a setting that is unique among Texas universities.

The beauty of the crystal-clear San Marcos River and the stately cypress and oak trees on the campus add to the charm of the university's picturesque setting. Our location on the banks of the San Marcos River provides recreational activities for students throughout the year.

The Texas State Round Rock Campus is located north of Austin. Students there can take upper-level courses leading to bachelor's degrees and complete master's degree and certificate programs. Students who complete their degree requirements at the Round Rock Campus earn their degrees from Texas State University.
