

David Steele

Director, Distribution Services
Disneyland Resort

Delivering the magic at the “happiest place on earth”... the Disneyland Resort!

After earning a B.S. degree in Transportation Logistics from Iowa State University, Dave spent 20 plus years in Retail and MRO supply chain operations for companies such as JC Penney, Disney Consumer Products, and Disney Theme Parks.

Progressing through a variety of roles (DC supervisor, Customer Service Manager, Systems Support, Facility Manager, and Director) provided opportunities to hone skills in Facility design, System implementations and Supply Chain optimization.
