GALVANIZED INDUSTRIAL STAIRWAYS & LANDINGS

A national distributor and installer of commercial and industrial storage equipment turned to EGA Products when they needed a Custom Stairway & Landing that would allow access to the upper level of their facility while meeting all applicable OSHA, ANSI, and local codes.

If We Can Do This For Them, What Might We Do For You?

Rely on EGA precision engineering and manufacturing expertise to design and build custom racks like these, and other equipment that will meet the specific people-access, materials-handling, or storage needs of your industry and its processes—no matter how simple or complex your requirements.

[LEARN MORE](#)

EGA engineers designed a custom galvanized industrial stairway featuring:

- All-welded construction for superior strength
- Hot-dipped galvanized finish for exceptional rust resistance
- Grip strut stairs and landing deck for slip resistance in wet conditions

EGA Custom Stairway & Landings are offered in a variety of painted finishes with your choice of treads and decking constructed of:

- Bar grating
- Floor plate
- Fiber glass

Typical industrial applications:

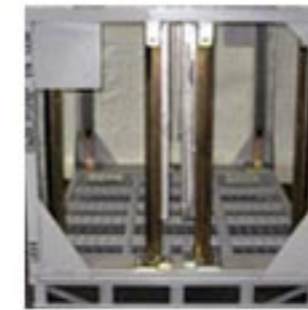

Automotive, chemical, construction, food, manufactured goods, metalworking, military/government, mining, shipping, steel, textiles, energy
