Manufacturers of Material Handling and Storage Equipment

CUSTOM FABRICATION

**PERFORMANCE
BY DESIGN**

INDEXING TOWER RACKS

Custom designed and custom fabricated for one of Germany's premier luxury vehicle manufacturers and their Tier One suppliers, these custom manufactured Indexing Tower Racks cradle delicate stamped-metal parts and body panels so that they can be shipped densely, without marring their paint-ready finishes and with no need for bubble wrap, tie downs, etc.

Precision engineered and then manufactured to the most exacting tolerances to accommodate robotic loading and other technological considerations, the spring-loaded pintle release mechanism, for example, is accurate to as little as 2mm on all three axes. The rack can be oriented in virtually any position to accommodate different manufacturing requirements, eliminating the need for replacement relative to product changes or modified assembly procedures.

If We Can Do This For Them, What Might We Do For You?

Rely on EGA precision engineering and manufacturing expertise to design and build custom racks like these, and other equipment that will meet the specific people-access, materials-handling, or storage needs of your industry and its processes—no matter how simple or complex your requirements.

EGA Custom Fabricated Indexing Tower Racks features also include:

- Fork pockets
- Label holders
- Skid runners
- Precisely placed, sequentially numbered stenciling to accommodate production flow and other unique requirements

EGA Custom Fabricated Indexing Tower Racks are available in a variety of finishes, including:

- Painted enamel
- Powder coat
- And more

EGA Custom Fabricated Indexing Tower Racks are available with choice of dunnage, including:

- Rubber
- Vinyl
- Polyurethane
- UHMW
- HDPE
- Stainless steel
- And others

Typical industrial applications:

Automotive, construction, manufactured goods, shipping

Carousel Racks

Shipping & Receiving Packaging Benches

Indexing Tower Racks

Custom Operations Platforms

Returnable Equipment Racks (Non-Collapsing)

Galvanized Industrial Stairways & Landings

Returnable Equipment Racks

Flat Media Tray Carts

Custom Storage Lockers

Portable Bin Cart Modules

Portable Storage Modules

Collapsible Bins

ASRS Archive Modules

Returnable Bumper Racks

Person-Aboard Order Picking Modules

Assembly Floor Work Platforms

Purpose-Built Platform Trucks
