American Crane inspected the Columbus McKinnon Loadstar Electric Hoist to ensure proper operation and safety.

CM Loadstar Electric Hoist

THE CHALLENGE

An annual inspection of a scale truck used in turnpike booths.

THE SOLUTION

Our service technician, using a comprehensive checklist, confirmed the safe performance of the hoist.

THE RESULT

This hoist passed inspection and will remain in operation picking up various items from the ground around turnpike booths, including scales that gather vehicle class information (by weighing truck axles) to determine toll fees.
