## **TOMPKINS INTERNATIONAL NAMES TYNDALL PRESIDENT OF MONARCHFX**

**RALEIGH, NC** – The MonarchFx Alliance, a division of Tompkins International, would like to welcome [Gene Tyndall](#) recently named President.

[The MonarchFx Alliance](#) is the coming together of world class supply chain and logistics companies with world class sellers of products to form a reinvented logistics ecosystem that is new, smart, and innovative. The Alliance offers a local automated fulfillment network and local / regional final delivery services at a competitive price, providing great customer service. The mission of MonarchFx is to create, build, and manage a substantial logistics ecosystem that establishes MonarchFx Alliance members to become the preferred direct-to-consumer logistics solution in the United States.

Tyndall is also, Executive Vice President at [Tompkins International](#), and serves as the Chief Marketing and Solutions Officer. The firm is a leader; providing supply chain business improvement services and solutions for companies that Plan, Buy, Make, Move, Distribute, and Sell products across all industry segments. These services are targeted to improved shareholder value through profitable growth, margin improvement, and / or capital efficiency.

Prior to joining Tompkins International, Tyndall he was President of Ryder Global Supply Chain Solutions and was a Global Leader of the E&Y Supply Chain Management Practice and Senior Partner.

Tyndall has over 30 years of experience consulting with major corporations serving hundreds of client companies, both domestic and international, helping to improve supply chains and logistics for profit contribution. He is recognized globally for his contributions to the profession and to the many companies he has led to higher levels of value. Many of the best practices in place today in supply chain management across all industries are due to his thought leadership and process re-designs and transformations.

Tyndall has co-authored several books and numerous articles on supply chain management, as well as, being quoted by business, industry, and public media. His book, [Supercharging Supply Chains: Increasing Shareholder Value](#), is recognized as leading new understandings on the value of high-performing supply chains to business profitability.

Tyndall is a graduate of The Institute for Advanced International Management in Switzerland, holds graduate degrees from George Washington University and the University of Maryland, and has attended advanced management programs at Harvard University, Stanford University, and the University of Miami. He was elected to the Global Logistics Hall of Fame in 2007 and has been honored as *Innovator of the Year* by Information Management.

[The MonarchFx Alliance](#) is honored to have Tyndall join our team.

**About Tompkins International:**

A supply chain consulting and implementation firm that maximizes supply chain performance and value creation.
