

## STAINLESS STEEL DRUM DOLLIES

### STANDARD FEATURES

- 30 & 55 gallon sizes
- 55 gallon 5-wheel design with 3 x 1 1/4" or 5 x 2" wheels
- Polypropylene wheel stainless steel casters standard with zinc plated casters as an option
- Polypropylene wheels are impervious to most fat, acid, and grease
- The five outriggered caster dollies provide a wider stance and shorter distance between wheels for extra stability when using 55 gal. drums

Applications: Food processing, food products handling, medical industry, institutional, highly corrosive waste removal, and any application where a continuous washdown is necessary.

55 Gallon 5-Wheel

30 Gallon 4-Wheel

55 Gallon 5-Wheel  
5 x 2" Casters
