Now Introducing: Polyurea Coating

EX 450 is Exemplary Foam's Polyurea Coated Brand. It's a lightweight, high strength, flexible, and chemical resistance coating that adds to the life and usage of the foam component. We can coat any custom thickness on just about any foam and customer supplied surface.

Purpose:

- Incredibly Smooth Finish, Class A Surface
- Coated Acrylic Tapes
- Extremely tough, flexible, and abuse friendly
- Dramatically increases range of use on all fronts
- Resistant to thermal shock, fungus, and most chemicals
- Higher Elongation
- USDA APPROVED

Applications:

- Foam Protection & Extended Use
- Pipe & PVC Protection
- Truck Beds
- Steel & Metal Protection
- Cold Storage Friendly
- Chemical Resistance Applications
