

Who is Abel Womack?

Founded in 1922, Abel Womack is one of the largest and most successful material handling companies in the northeast US.

Our corporate philosophy is reflected in our tagline “***discover the difference***”. Although our size and strength provides us with a broad range of ‘best of breed’ suppliers and technologies, our difference is much more than the equipment and services we provide.

Our mission is to maximize the client experience while exceeding their expectations. To accomplish that, our organization must embrace the values, character and resources to accomplish that mission. Every one of our more than 200 employees understands that. That is the difference.

Why Partner with us?

Abel Womack provides material handling products ranging from a single piece of equipment up to and including multi-million dollar four wall systems. Our size ensures that we have the resources to get the job done, on time and within budget. Other advantages include:

- An incredible diversity of technologies to ensure pure, unbiased solutions.
- Abel Womack represents suppliers considered to be ‘best of breed’.
- Unparalleled service capabilities with over 120 mobile technicians.
- A corporate culture defined by its strong commitment to customer satisfaction.
