"We customize all products to fit your needs and applications. Our goal is to deliver products and services that exceed your expectations."

Dan Cummings
President, PHS West, Inc.

Model 4000 Motorized Tug
with Coupling Hitches

The perfect fit to meet your needs. Our universal coupling hitch allows you to link or "train" multiple carts with no additional hardware required. We can custom design attachments that meet your departmental requirements.

FEATURES & BENEFITS

The Ergo-Express® Motorized Tug can pay for itself in just one year*

Modular Hitch Systems

- Built to your specifications; the perfect fit to your exact application requirements
- Modular hitch allows safe towing of any carts without modification
- Attaches to virtually any cart in seconds
- Modular coupling hitches for towing multiple carts

Drive System

- Tugs can be operated in forward and reverse to push/pull
- 230°+ rotational gooseneck design offers unmatched maneuverability

Easy to use

- No assembly required, simply link your tug to your cart and go
- No additional hardware installation
- Link or "train" multiple carts at one time

3-Year Warranty

- Three-year limited warranty

ETL Certification

- Meets UL®, State, Local, and Federal Electrical Safety and JCAHO requirements
- No additional testing or certification required

Ongoing customer service

- 24/7 Operational and Technical support; call anytime day or night for the life of the product

*Some variables in your evaluation could affect actual return on investment time beyond one year.
