

**Karen L. Mueller, CBC**  
Executive Vice President  
karenm@horanassoc.com

Karen Mueller, Executive Vice President and Partner, concentrates on new business opportunities and the corporate growth of HORAN. Motivated by finding solutions for industry, community, client and prospective client issues, Karen listens and creatively crafts responses to the challenges of today and the future.

As a Chartered Benefit Consultant (CBC), Karen designs benefit solutions for industry, community, client and prospective clients to create mutually beneficial partnerships and tailor benefits to specifically fit an organization's needs to respond to the challenges of today and the future. Her 25 plus years experience in the employee benefits industry has prepared Karen to serve as a valuable resource to others.

HORAN is committed to the ongoing education of our clients and prospects. In 2007, Karen implemented a series of education programs to ensure our clients and employees are abreast of the latest industry topics and regulations. In addition to her leadership role, Karen is responsible for maintaining existing client relationships by providing smooth transition to her account management team and monitoring overall client satisfaction. In 2011, The West Chester Liberty Chamber Alliance presented Karen the Carlos Todd Businessperson of the Year Award. The award is presented to a business owner or executive who has demonstrated sound leadership and vision.
