The solution involved providing customer with a custom crane designed to lift components and equipment in an area with low headroom.

Industry Group: Crane Manufacturers Association of American (CMAA)

5 Ton Single Girder Underhung Crane

THE CHALLENGE

Provide a cost effective crane to operate in a shipping/receiving/warehouse area with minimal headroom.

THE SOLUTION

American Crane designed, manufactured, tested and installed a 5 ton underhung crane.

THE RESULT

American Crane's affordable low headroom crane travels smoothly within the customer's low headroom area, allowing for adequate clearance.
