The solution involved custom designing the outdoor gantry crane with an extensive span to reach a wide outdoor storage area.

Industry Group: Crane Manufacturers
Association of American (CMAA)

Custom Outdoor Gantry Crane with 150 Ft. Span

THE CHALLENGE

To provide the customer with a crane to move rebar assemblies across a wide outdoor storage area.

THE SOLUTION

Manufacture a free standing gantry crane designed with a wide-ranging span.

THE RESULT

American Crane designed, engineered, tested, and installed a custom gantry crane with a 150 foot span. This type of crane can be used outdoors and its extensive span was the perfect solution for this customer to quickly and safely move the assemblies.
