

Ergonomic Assist Systems & Equipment

Design the job to fit the worker - increasing productivity and worker health through engineering.

Ergonomics is more than a buzzword today - it is a movement. Nationally, our demographics confirm we are aging and in deteriorating physical shape. This impacts the workplace, and good employers must think of their businesses in terms of ergonomics. EASE is the group within MHI focused solely on making work easier for people by improving the work environment.

INDUSTRIES SERVED:
Virtually all - where there is a physical interface between a task and a worker.

Annual Cost of Injuries

\$94.8 BILLION
Employer Costs of Workers Compensation

Insurance Journal, 2017

57
Average Missed Work Days Per Injury

Travelers, 2016

380,600 CASES
Ergonomic Injuries with Missed Work Days

MSDS Online, 2015

Features and Benefits

FEATURES

SCISSOR LIFT
TILTERS
WORKSTATION CRANES
PALLETS
WORK POSITIONERS
CASTERS
INTELLIGENT ASSIST
PALLETTIZERS
WHEELS
VACUUM ASSIST

TIPPERS
PALLETT ROTATOR
LIFT TABLES
MANIPULATORS
BALANCERS

BENEFITS

COMFORT
ERROR-PROOF
ERGONOMIC SAFETY PROTECTION
RISK REDUCTION
EFFICIENCY
STABILITY
PRODUCTIVITY
HEALTH
QUALITY
SUSTAINABILITY

Ergonomic Issues

 Push	 Pull	 Carry	 Twist	 Lift
 Lower	 Bend	 Hold	 Stack	 Squat

Interesting Fact:
Material Handling represents 32% of all workers' compensation claims.
Travelers Companies Injury Impact Report 2016

Interesting Fact:
Did you know that EASE offers a Ergo / Lean Training program for \$75?

EASE
Ergonomic Assist Systems & Equipment

EASE members promote the practice of good ergonomics in the workplace by providing solutions across a broad spectrum of applications and industries. Activities include presentations at various industry events and development of non-commercial training materials. EASE also engages and collaborates with NIOSH and the academic community to enrich the group and enhance presentations and training materials.

EASE MEMBERS...
Are committed to safety, innovation and providing the right solution to ensure peak performance.
