

The Protective Guarding Manufacturers Association (ProGMA) members are the Industry's leading suppliers of fixed protective guarding products designed to protect personnel, equipment, and inventory in industrial facilities.

PURPOSE OF PROTECTIVE GUARDING

Reduces risk of injury, prevents contact with moving equipment, and provides fall protection.

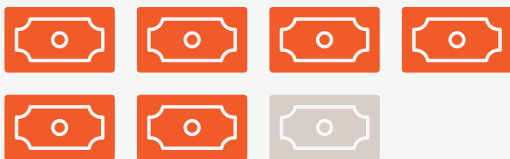

Equipment protection prevents damage to equipment and reduces associated costs due to impacts.

WHY YOU NEED PROTECTIVE GUARDING

SAFETY INVESTMENT

OSHA estimates for every dollar spent on safety, six dollars is saved. That's a 600% ROI for investing in safety!

OSHA COMPLIANCE

Machine Guarding & Fall Protection have been in the **Top 10 OSHA Violations** for the past **19 years**

\$163.9 BILLION

The total cost of work injuries in 2020 was \$163,900,000,000

Column protection	Pallet drop gates	Strip curtains
Conveyor guarding	Pallet flow gates	Structural angle rack guards
Corner guards	Pedestrian & traffic safety gates	Topple protection
Dock door protection	Pedestrian stairways on docks	Traffic warning signals
Dock lift gates	Pick module	Trailer jacks
Height restriction guarding solutions	Pipe guards	Trailer maintenance stands
Hygienic separation barriers	Rack leg protectors	Truck wheel guides
Industrial facility protection guardrail	Rack repair kits	Wall guards
Industrial pedestrian guardrail	Retractable belt guarding systems	Welding curtains
Kerbing	Roll-up door guarding solutions	Wheel chocks
Kickplates	Safety cages	Wire mesh for back of rack
Loading dock bumpers	Safety netting	Wire mesh partitions
Loading dock gates	Safety signage	Work platform railing

... AND MORE!

ProGMA OFFERS MEMBERS RESOURCES SUCH AS:

- Protective Guarding Solutions - 24 companies, 100s of technologies
- Case studies - real problems and real solutions
- Videos - free technology videos
- Large library of equipment images and content
- Trends, blog posts, and news articles
- Checklists
- Industry standards, guidelines, and best practices
- Protective Guarding Search Tool - solution finder
- Expert speakers and presentations
- Consultative services
- Safety events
- 100s of FREE industry best practice resources

ProGMA can give you the tools to protect people, places, and products to create a better work environment for your employees.

ProGMA offers assistance if you are looking to purchase guarding equipment, seeking industry-based research, or guidance.

Call, email, or visit www.mhi.org/progma today to find out more about protective guarding and how ProGMA can help you to make the best choices for your business.
