A fast growing company

Laminacorr Industries is among the most successful, growth-minded, independent businesses in Canada. This year, we made the Growth 500 for the second year in a row. We also placed on the inaugural Report on Business ranking of Canada's Top Growing Companies.

Industry pioneers

As the pioneers of standardized, mass lamination; Laminacorr established itself as the packaging industry's premier laminated product supplier. Twenty years later, we continues to offer a variety of lamination products including: Evolon, Crosslinked Foam, Brushed Polyester, TyGuard and SpunGuard.

For your convenience

Laminacorr has a complete in-house converting service. We provide a professional die cut, slitting, welding, sewing and scoring services with quick turn around time, all at a very competitive price. Our FluteCorr® Packaging line can be even more personalized with different additives and colors based on your needs.
