- ✓ Chemical Resistant

### A fast growing company

Laminacorr Industries is among the most successful, growth-minded, independent businesses in Canada. This year, we made the Growth 500 for the second year in a row. We also placed on the inaugural Report on Business ranking of Canada's Top Growing Companies.

### Advanced equipment

Laminacorr Industries is proud to have the most advanced corrugated plastic extrusion department in North America. It allows us to better cater to the demands of Graphic Arts industry. Flutecorr® Graphics offers a smooth, square, corona treated sheet ensuring outstanding print quality.

### For your convenience

Due to its light weight, Flutecorr® sheets are easier and cheaper to transport. Our 20 years' experience in the packaging industry means we specialize in custom projects. We are fully integrated, allowing us to offer more. We also produce custom colors and can integrate additives.
