Mission Statement
“Our goal is to provide a product that is above the industry standard, and a service that exceeds the expectations of our customers.”

Elite Storage Solutions is a FULL SERVICE manufacturer of a complete line of Roll-Formed and Structural storage products. By combining a family owned and operated manufacturing company of 28 years with the Industry’s leading Integration team, we were able to create a model that yields the absolute best value in today’s material handling industry.

In 2009, Elite Storage Solutions and JENNMAR™, the nation’s leading ground support manufacturer, announced that JENNMAR™ would make a strategic investment into Elite. Together, JENNMAR™ and Elite Storage Solutions offer an improved supply chain and the ability to provide our customers our complete line of products and services across the US, Canada, Latin America, China, and Australia. Two family owned companies that possess similar family values was an opportunity to bring Elite’s innovative storage solutions to the forefront of the International markets.
PRODUCTS

• Pallet Rack
• Drive-In
• Push Back
• Pallet Flow
• Case Flow
• Mezzanines (Multi-level Platforms)
• High Pick Solutions
• Structural Cantilever

• Stack Racks
• Overdock Door Rack
• Guard Rail Barriers
• Rack Repair
• And more........
The Elite design represents the most proven, up-to-date concept in boltless, easy to assemble, durable storage rack systems. Precision components are manufactured to provide ease in erection and change-over to handle the wide variety of applications in today’s market. The combination of powder finished products coupled with high grade galvanized yields the industry’s finest solution.

Elite set the bar at new heights in terms of structural storage racks. Our improved manufacturing process enables us to produce at a quality that exceeds the previously established standard.

**DURABILITY** - Ideal for high use applications where long lasting performance is desired.

**RIGIDITY** - Fully bolted connections yield a stronger more rigid system.

**VERSATILITY** - Provides a broad range of design height, depth and load capacity solutions.

As the only premier nationwide manufacturer and integrator of storage systems, Elite strives towards continuing to provide unparalleled expertise and personalized service to our clients while providing the most competitive pricing. We specialize in Warehousing, Distribution, Archive & Records Storage, Grocery & Beverage Distribution, Retail, Pharmaceutical, and Manufacturing. Elite also offers rack repair services and other life safety audits. Elite’s services include site surveys, AutoCAD design and layout, structural and seismic engineering consultation, and permitting...all at the best prices anywhere!

Elite’s knowledgeable staff of designers, estimators, and project managers have a comprehensive cross-section of industry experience. They understand the local municipality codes across the country and have a deep knowledge of the compliance regulations and proven practices of the storage and material handling industry.
